

2021 Oklahoma Native All State Nomination

Dear Coach,

The 2021 Oklahoma Native All State Association event is scheduled to take place on Saturday, June 12 in Okmulgee, Ok. This year's event will be hosted by the Muscogee Creek Nation. The ONASA will take nominations for boys and girls cross country, fast pitch softball, boys and girls basketball, boys and girls golf, and baseball. Student athletes must be nominated by their high school coach, be in the 2021 graduating class, and have a CDIB card or other form of tribal identification including 506 Indian Student Certification forms. Nomination forms must be submitted by email or fax by the deadline to be considered. Students athletes can be nominated for multiple sports.

Fast Pitch Softball, Boys and Girls Cross Country, and Boys and Girls Basketball nominations **must be submitted by Friday, April 2**. Selections will be announced on Wednesday, April 14.

Boys and Girls Golf and Baseball **must be submitted by Friday, May 21**. Selections will be announced on Friday, May 28.

Selection committees made up of Native American coaches from across the state will select the athletes that will be named to the 2021 ONASA teams. The athletes selected will then be notified and receive a player packet containing all information related to participation in the event. We hope to recognize the top Native American student athletes from the 2021 graduating class. There will be an awards banquet at the conclusion of the day's events where each individual will receive a plaque and a certificate to recognize their accomplishments.

Our staff of volunteers will continue to work with the Creek Nation Recreation Department to finalize the agenda and a schedule of events. Coaches, please make sure you send the nomination form to the email address or fax number at the end of the form. We have different addresses and numbers for each sport. Should you have any questions, please send an email to address listed on the nomination form.

Thank you

ONASA Committee
